On Mission for the Church Alive

The Work of God's Hands – Today we begin the season of Advent, our annual time of joyful expectation as we await the coming of Jesus Christ. Our waiting is two-fold. More immediately, we anticipate the celebration of Christmas and the anniversary of the Son of God coming as one

like us to love us and to set an example for us to follow. At the same time, we actively await the time when Christ will come again in glory and call all people to himself. Throughout the Advent season, as in today's Gospel, we will hear the call to be alert and ready for the Lord's coming that we might not be caught off guard. That readiness includes allowing the God who created us in his image to continue to form our hearts and lives to be more like His own, for "we are the clay and [He] the potter." As we also anticipate the changes coming in our parishes as part of the On Mission for The Church Alive! initiative we place our trust in God as he continues to form us and our parishes. May our hearts be formed in patience and peace as we work to build up new communities of faith. May our parishes be formed in vibrancy and unity as places of warm welcome and firm faith.
